In appreciation of
her many years of loyal service to
South Intermediate School we,
the Journalism Staff,
dedicate this 1960 Annual to
Shirley Sandhoff,
teacher of Social Science.

SAGINAW BOARD OF EDUCATION

Standing: Hiel M. Rockwell, treasurer; Harold M. Karls, secretary; R. Joseph Heagany

Seated: Eugene P. Stansbury, president; Charles C. Coulter, superintendent; Walter A. Leesch, vice-president

Missing from picture: Robert W. Grant; Walter C. Averill

The school year 1959-60 has been an unusually successful one for South School. Our athletic teams have been outstanding, our records in Junior Red Cross and the Science Fair were enviable ones, and many other splendid achievements have been made, both by individuals and by groups.

This 1960 Annual S I S Boom is a distinct credit to our school, and to those responsible for its publication. As you look at its many pages, may it bring you pleasant memories both now and in the years ahead.

At the close of the annual Junior Red Cross gift box drive, a total of sixty-five boxes were expected to be filled. By contributing small household articles and toys, every homeroom helped fill the boxes, which were distributed among needy foreign children.

This year a letter of gratitude was received from Germany, one of the many places where these boxes are needed and appreciated by underprivileged boys and girls.

Student Teachers

South has been honored to have seven student teachers externing here during the year.

Miss Rosalind Mathews externed with Miss Zubler in the art class. She attended Michigan State majoring in art and minoring in sewing. She plans to teach in California.

Externing in physical education with Miss Vassaw, Miss Polly Hackett was at South from January 4 to March 18. Miss Hackett was a senior at M.S.U. and is a resident of Saginaw.

A senior from Central Michigan, Mr. James Lynett aided Mrs. Kreuger during the middle of the year. He majored in political science and physical education at college.

Miss Susan Reece assisted Mr. Shumate with instrumental music. Miss Reece was at South until the end of the year. Public school music was her major at college.

Mrs. Barbara Ewend a former South student externed with Miss Atkinson and earlier in the year at Potter School. Helping Mrs. Bedore in the third grade, Miss Roberta Downs externed here at the beginning of the year. She is an M. S. U. graduate.

Ninth Graders Take Test

On Saturday, March 19, the National Educational Development Test was held at Arthur Hill High School. Ninety-eight students from South were among the many teen-agers taking this three hour test covering five different subjects: English usage, math, social science, natural science, and vocabulary. Students were under watchful supervision making it a true test of your own knowledge and accuracy.

The participants will receive the results of the test sometime this summer and will be informed on their national placement.

Professional Assemblies

In an outstanding and extraordinary assembly, which started this year's professional assemblies, Mr. John Nichols explained history by the use of colorful and self-explanatory maps. From these maps Mr. Nichols related how man's knowledge of people, his immediate surroundings, and distant lands gradually improved and broadened. The talk started from times when man knew very little of the world and eventually worked its way to modern times. The assembly took place October 8.

The Vocal Aires, a sharp singing quartet, were featured in our season's second assembly October 28. The group had a varied singing program, for they sang old favorites, popular tunes, classicals, and finally built up to a joyous and enthusiastic climax involving the entire student body.

Continuing with our professional assemblies on December 9 the Bucknell Marionettes gave an interesting, informative, and exciting presentation of dance and comedy acts featuring Marionettes. During the intervals between acts short talks were given about the Marionettes, the acts they would present, the number of hours each took to make, and an explanation of how the average Marionette is constructed.

When Mr. Bob Wood appeared in our fourth assembly entitled "Cartoonist Extraordinary", all students were held breathless as he drew his sketches of humor, pathos, and romance. The clever artist, manipulating his chalk with ease, also gave an extra touch to his cartoons with special lighting effects. The April 12 assembly is one we'll all remember.

To conclude the year's professional assemblies, we were visited on May 9 by Mr. Robert Edgar who entertained us with his presentation "Out of this World". Mr. Edgar gave a talk on our newest frontier, space. In the assembly he used some personal apparatus he has used before to go along with his informative explanation of space.

Election Story

For the first time in South's history the president and vice president of the school were elected by a majority vote of the students.

The students that wished to become candidates had signatures of between 50 and 100 students, four of their present teachers, and either Mr. Guy or Miss Kelly or Miss Gay.

To have been able to qualify as a candidate a student must be a member of the eighth grade, have a B average in scholarship based on academic marks and a B+ average in citizenship based on marks in all subjects, and must be recognized for accomplishments in fields such as scholarship, citizenship, athletics, music, and other such activities.

The candidates delivered a three to five minute speech from a list of various topics. They also gave an impromptu one minute talk on some subject drawn from a list of topics prepared by the Executive Board.

The school officers were elected by secret ballot during the third week in May. All pupils in South School voted. The candidate that received the largest number of votes is now president and the second highest, vice president. If no candidate received a majority of the votes cast, a final election was to be held on the day following the first election. The two candidates that received the highest number of votes ran in the final election.

The students that filed for petitions this year were: Ed Leib, John Anderson, Gerry Meyer, Lee Block, Diane Khuen, Linda Huyghe, and Jane Imerman.

Southern Spectacular

"Welcome to our Southern Spectacular." With these words the alternating mistresses of ceremonies, Nancy Kempf and Mary MacArthur, opened South School's fourth annual "Southern Spectacular." The program, including two evening performances and a matinee, was presented February 25 and 29.

South's senior band under the direction of Mr. Shumate opened the show with a group of selections including the "Gate City March," "Bali Ha'i," and an unusual number featuring the "Original Dixieland Concerto."

The twangy sounds of a steel guitar opened the next number. Tom Hersem, accompanied by Dave Wright on the drums, presented his interpretation of the hit song "Sleep Walk."

Turning flips and performing various other difficult stunts were the South tumblers straight from the boys' gym and sponsored by Mr. Keene. At this point in the program a hilarious skit portrayed by Pam Loeblein and Barry Godwin showed the advantages of memory courses.

Alaska and Hawaii were the theme of this year's Southern Spectacular. Paying special tribute to our new states were Blll Firchau with his theme on Alaska and Mary MacArthur with her theme on Hawaii. Jane Mason, president of the president's council, read letters from the governors of these states. A new fifty-star flag was flown while Nancy Kempf read the preamble to the Constitution.

The Southern Rockettes were back again by popular demand. The fast-tapping, rhythmic high-steppers included Diane Reeder, Connie Henning, Betty Cummings, Connie Hall, Cindy Herzog, Marlene Melcher, Maxine Henderson, Nola Maturen, Carol Murphy, Xenny Weiker, Sally Jones, and Linda Davis. This act was sponsored by Miss Zubler.

Not to be outdone by the boys, "The Alaskan Stars", sponsored by Miss Vassaw, from the girls' gym performed intricate formations on the ladders. The trio included Diane Khuen, Karen Jacob, and Barbara Wilcox.

A little teenager with a mighty voice, Nancy Kempf, sang "My Heart Became of Age."

A novelty tap to chase away your blues was performed by Pam Culp to the tune of "In the mood."

Pantomimes are always good for a laugh. "It's in the Book," pantomimed by Barbara Kundinger definitely wasn't an exception.

They whirl, they twirl, in intricate formations they excel. This fully describes our majorettes. These talented masters of the baton, sponsored by Miss Zubler, were Mary Piersall, Janice Wendt, Cheryle Schudler, Martha Nickless, Christy Plonta, Rhea Ann Richard, Dixie Richard, and Betty Cummings. Proving the Charleston is still a popular dance was Diane Reeder swinging it to "Hello My Baby."

The theme song of a well-known detective, "Peter Gunn," set the pace for the Cavaliers, a dance band including Doug Doughty, John Anderson, Mike Lurie, and Hank Kaufmann.

The South School Madrigals opened the second portion of the Southern Spectacular by singing "Blue Hawaii" and "Sally by the Seashore".

These girls who entertain in many other places are Nancy Kempf, Jan Hill, Cathy Serrin, Joan Riddle, Billie Kay Pahl, Nadine Sharrer, Gloria Albrecht, Judy Anderson, Barbara Cay, Connie Hall, Caren Doehring, and Jane Mason with accompaniment by Onalee Reeve.

"The Cockeyed Mayor of Kauna Ka Kai," a comedy act by Barry Godwin, followed the Madrigals.

The Hawaiian Hoboes moved the show right along by singing "Whistle a Happy Tune." John Anderson, Pat Ardern, Chris Behm, Bill Laverty, Bill Ten Eyck, Janet Fritzler, Ross Mattern, and Ann Wendler made up the group of happy-go-lucky hobo vocalists.

Nancy Kempf and Phil-Anne Crevia followed with a Hawaiian dance, "Lola O'Brien."

A comedy pantomime "There's Nothing Like a Dame" followed. The group of patomiming "sailors" included Linda Huyghe, Sally Schrems, Lauran Howard, Sue Hunt, Cheri Harper, Beth Nichol, and Connie Heidebrink.

The Petite Ballerina, Linda Davis, exhibited perfect coordination and skill while dancing to the "St. Louis Blues."

Maxine Henderson, Pat Talor, and Eleanor Smith then did a modern dance to "Everybody Likes To ChaChaCha."

Nadine Sharrer followed the dancers by singing the ever beautiful "Without a Song."

Miss Zubler's "Bugs" then followed with a high-stepping dance "Black Magic". With the black-out lights on, the girls actually looked like bugs dancing on the stage. These "Bugs" include Connie Henning, Cindy Herzog, Sally Horne, Dianne Reeder, Connie Hall, Carol Murphy, Betty Cummings, Linda Davis, Mary Gardy and Jean Kurth.

The Joker's dance band ended the 1960 Southern Spectacular by doing the "Flintale Rock". This popular South School band consists of Gary Tilley, Tom Hersem, Dave Wright, Jim Witte, and Bill Ten Eyck.

Sis Snooper

We the staff spent lots of time
Wracking our brains to make things rhyme.

So read on down through all the lines,
The lyrics there will lighten your minds.

The coolest show throughout the land
Is Dick Clark's popular American Bandstand.

A TV star who's really rare
Is the comical beatnik Yogi Bear.

Movies this year that set a stir
Were "Solomon and Sheba" and "Ben Hur."

Latin was a real rough class,
But no more Responde; it's over at last!

A poem not forgotten, ninth graders agree
Is Service's "Cremation of Sam McGee."

Many fads have come and gone
Along with records and popular songs.

Full skirts and trenchcoats are again the rage,
For more fashion news read down the page.

Feathered hats enticed the boys,
While circle pins caused most girls' joys.

Fads may come and fads may go,
Still bloomers 'neath those skirts will show.

Pairs have come and pairs have past,
But Paul and Glenna will last and last.

Max has found a guy to crave,
That handsome drummer, her man Dave.

Cindy and Steve are a long time pair;
A romance like theirs is hard to compare.

Cathy has truly found her clown;
It's that guy Steve, a man about town.

Terry and Jane are not a new pair;
A couple so lasting is certainly rare.

Right straight through the change of season
Still going strong was "Sixteen Reasons."

Another hit that's passed the test
Is "Running Bear," one of the best.

Santo and Johnny are really neat,
Their records have had that real cool beat.

The Fleetwoods had a style quite new
With their big top seller, "Mr. Blue."

A song that made its way to fame
Was Jerry Wallace's "Primrose Lane."

Bobby Darrin hit the top of the stack
With "Clementine" and a guy named Mack.

Percy Faith's "A Summer Place"
Is a song that has sold at a real fast pace.

The top L. P. without a doubt
Was the Kingston Trio's "Sold Out."

A song that stayed longer than others
Was "Cathy's Clown," by the Everly Brothers.

That Bobby Rydell really made 'em drool
With that real cool platter called "Swingin' School."

America's teens are happy and gay
Now that Elvis is home to stay.

Summer's here and we'll finally lose
Those dreadful, nightly homework blues.

Hope this year's been tops with you,
Happy vacation from the Sis Boom Crew!!
